

AtoZ Maps Online

AtoZ Maps Online is the world's largest subscription-based database of proprietary, royalty-free, continent, country, and state maps. Included in the 4,000+ maps are: political maps, physical maps, outline maps, population maps, precipitation maps, climate maps, and other thematic maps.

1. Go to https://ezproxy.greatbay.edu/login?url=http://www.atozmapsonline.com/a-z_maps_online_home.asp?c=gbcc. For off campus access, use your college email username and password.

2. Use the menu on the left to select a category of maps. Or, select a geographic region from the maps in the center.

3. Maps are available to view as a small or large image (which allows you to zoom). Also, you may download the map in full size, usually as an image or PDF.

4. To cite a map, select **More Info**. As AtoZ Maps Online does not provide a citation tool, here are the guidelines for citing a map found online:

- a. For **MLA**, include the author, title of the map, year, format (Map), the name of the website, format of the source (Web), and date of access. Example:

World Trade Press. *Outline Map of Bahamas*. 2007. Map. *AtoZMapsOnline*. Web. 5 Nov. 2010.

- b. For **APA**, include the author, date, format, title of the map, and url. Example:

World Trade Press. (2007). [Map]. *Outline Map of Bahamas*. Retrieved from http://www.atozmapsonline.com/states_display_2.asp?SKU=Bahama_Out
