

Your 2018-2019 Free Application for Federal Student Aid (FAFSA) was selected for a review process called verification. In the verification process we will compare your FAFSA with information on this worksheet and any other required documents. We may ask for additional information later. If you filed as a Dependent student on the FAFSA, you and your parent(s) will need to complete this form. If you filed as an Independent student on the FAFSA, you and your spouse (if applicable), will need to complete this form.

We are unable to award financial aid until the verification process has been completed. It is imperative that you submit any requested documents (signed and completed) immediately upon request. If you have questions about the verification process, please contact the financial aid office so that your financial aid will not be delayed.
