

EVENT & MEETING PLANNING

Certificate

The Event & Meeting Planning Management Certificate prepares students for employment in event and meeting planning management roles for large hotels, resorts, conference or convention centers, attractions, private catering operations, event management companies, nonprofit organizations, and independent event and wedding planners. Students who love working with people, enjoy planning social events, and are creative and detail oriented, should consider this rapidly growing field.

The classes within the certificate provide a solid foundation for career success by offering students numerous opportunities to develop practical skills and professional relationships through invaluable hands-on experiences in the field.

A career in Event and Meeting Planning provides a broad range of management opportunities in convention services, wedding planning, catering sales, nonprofit fundraising events, and entrepreneurship opportunities.

Employment of meeting, convention, and event planners is projected to grow 33 percent from 2012 to 2022, much faster than the average for all occupations.
