

PSYCHOLOGY

Associate in Arts

Great Bay's Associate of Arts in Psychology provides students with a comprehensive understanding of psychology principles, practices, and direct application of theory. Students will be able to blend practical skills with critical thinking abilities after examining theoretic approaches and concepts.

This degree is designed to allow students to transfer to a four-year degree program or to begin a career connected to the field of psychology.

Career Possibilities

Job Title	Average Salary
Child, Family & School Social Worker	\$47,500
Counseling Psychologist	\$75,500
Community Health Worker	\$39,000
Substance Abuse & Behavioral Disorder Counselor	\$41,000

The careers listed above may require additional education beyond an Associates Degree. For more information about the outlook and trends, please visit the Bureau of Labor Statistics: www.bls.gov.
