

**Great Bay Community College**  
**Portsmouth, New Hampshire**

**RUNNING START**  
**Placement Testing**

A computerized placement test (Accuplacer) is required of all students wanting to take a college-level English or Math course. The goal of the assessment is to identify areas of strength and weakness so appropriate course placement can be determined. Placement outcomes will be reviewed by your high school teacher and the Running Start coordinator prior to college registration. Students must achieve scores placing them into ENGL 110 College Composition 1, MATH 145 Topics in Applied College Math, MATH 225 Probability and Statistics or MATH 230 Calculus 1 in order to register for the course(s).

If you are a student with a disability and have documentation that supports the need for special assistance, please notify the Coordinator for Disability Support Services in the Center for Academic Planning & Support (CAPS). The phone number is: 603-427-7625.

**Preparations for the Placement Test**

1. Fill out the bottom portion of this form and submit it with \$10.00 to the Running Start Coordinator on the day of the test.
2. A receipt will be furnished by the college's business office per your request.
3. If you miss the scheduled date for the placement test at your school, you may take the test in the Center for Academic Planning and Support (CAPS) on the college campus. (see hours below). Use this form or notify them you are testing for Running Start.
4. If you are not comfortable with using a computer, you may take a paper and pencil assessment. Contact the Running Start coordinator prior to the test day if you plan to access this option.
