The LNA Program
A career that can change lives...Including YOURS

Imagine a job that rewards you for caring about others...that is exciting and challenging...a job where you make a difference.

Whether you’re just starting your career or ready for a change, now is the time to consider becoming a nurse assistant.

If you’re ready for the career opportunity of a lifetime, the American Red Cross has developed a Nurse Assistant Training course to support learning and increase your potential. Our user-friendly training materials are designed to help you develop patient care and other job-related skills.

Coursework includes learning:
• medical terminology
• basic human anatomy
• communication skills
• basic math skills
• caring for patients with Alzheimer’s disease

Application Requirements:
• 16 Years of Age
• Must Undergo a Personal Interview & Screening Exam
• HIGH SCHOOL DIPLOMA OR GED IS NOT REQUIRED!
