ATI Test of Essential Academic Skills (TEAS)
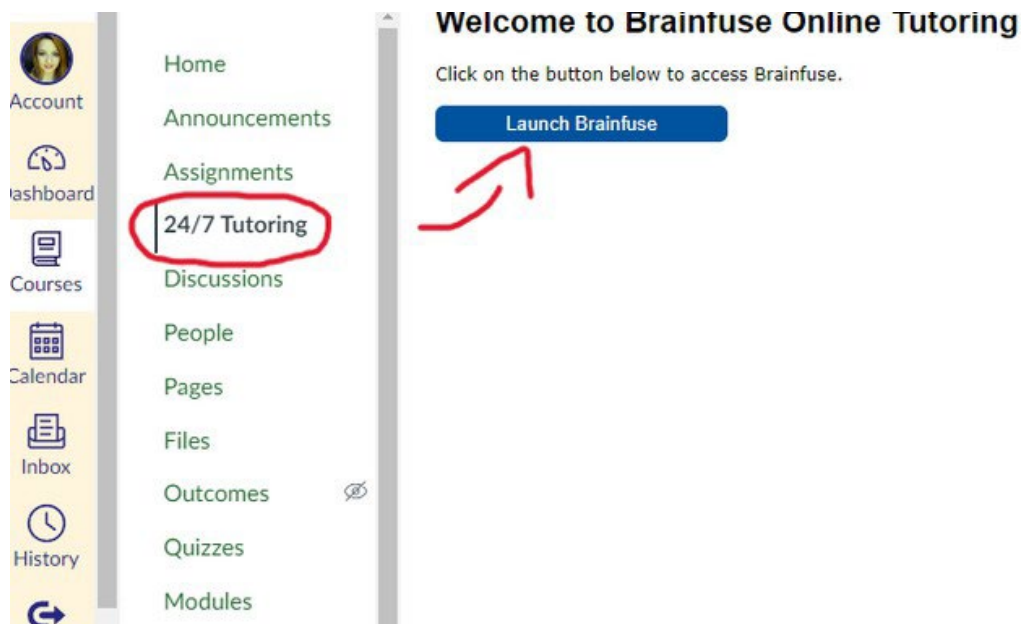

About the ATI TEAS Exam

- The TEAS is designed to measure entry-level academic readiness for applicants and to predict success in the first semester Nursing course. It tests the areas of reading, English and language usage, math and science. The ATI TEAS will be waived for an LPN with an active license. Create an account and register to take an exam at: www.atitesting.com.
- Great Bay offers remote proctoring for the TEAS exam. For registration instructions and 2024-2025 dates, see the TEAS Dates and Registration Guide.

Preparing for the ATI TEAS Exam

- Tutoring: GBCC students can access Brainfuse (24/7 Online Tutoring) for TEAS preparation. Brainfuse is free and located on the Canvas course menu. Students are allotted 600 minutes (10 hours) of Brainfuse tutoring per semester.
- TEAS Test Prep Series: Online preparation via Ed2Go. TEAS Prep 1 focuses on reading, English and language usage. TEAS Prep 2 focuses on math and science.

TEAS Prep (Brainfuse)

To access Brainfuse, select any of your courses in Canvas. On the menu bar, select "24/7 Tutoring" and launch Brainfuse, It will open the application in a second tab.

From here on your Brainfuse dashboard, you have the option to utilize live help, SkillSurfer, or both! Here is where both options are located.

For live help, select "Nursing" for your topic and "TEAS" for your subject. Please note that not all services are offered 24/7, so click "Check Tutor Availability" to see a full listing of when someone would be available to assist you. When you're ready and someone is online to help, just click "Connect."

SkillSurfer is available to you 24/7 for TEAS practice. Upon selecting SkillSurfer, click "Nursing School Exams" to access the TEAS practice problems.
